## Recitals

Each student will have the option to sign up for and play in one recital during the course of the week. This event is a favorite activity for many of the students. Students who would like to play in a recital, prepare a solo with their teacher and bring a copy of the piano accompaniment to camp. Each student will be assigned a recital date which will be included in your registration packet. You will be able to sign up for a practice time with the accompanist at orientation.

## Lessons and Classes

Students will participate in private lessons, repertoire classes, and other daily classes which enhance and develop music reading and interpretation skills.

## Chamber Music For Advanced Students

This program is available to students upon recommendation of their private lesson teacher. Students will be assigned to ensembles, which will rehearse daily. They will prepare chamber music selected specifically for them based on their registration information. If your teacher has a question about the requirements have him or her contact Debbie Barker.

## Hoedown

Students will receive Hoedown music in the registration packet. This is a fun event for families and students. Plan to wear cowboy and cowgirl outfits!
